

Drop Front benchtops & vanities

polytec's newest addition of Drop Front benchtops & vanities are available in 13mm Compact laminate and 15mm Xenolith, offering a prefinished solution for wet room applications and more. Drop Front benchtops & vanities are waterproof, durable, and fully customisable, making them a popular choice for both commercial and residential projects. Smooth and Matt finishes are also antibacterial.

Drop Front benchtops & vanities are available for a variety of applications:

- Bathroom Vanities
- Media Rooms
- Reception Counters
- Retail Counters
- Product Displays

Drop Front benchtops & vanities are manufactured with a 45 degree mitred boxed front and available with boxed ends, sink and tap cutouts, delivered full fabricated. Wall brackets are available as an accessory.

COVER IMAGE: Drop Front Benchtop in 13mm **COMPACT** laminate Tivoli Ceppo Smooth.
Mirror Panels with Black edge.

Dark coloured surfaces will show fingerprints and require more care and maintenance than lighter coloured surfaces. It is recommended to test a product sample prior to colour selection. **polytec** swatches and samples represent a small area of the overall colour structure. To view the large colour sample, visit www.polytec.com.au.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour. To order your free colour sample visit www.polytec.com.au.

The use of our current samples gives the colour and finish that a customer would expect to receive. Samples are provided for colour and finish selection and **polytec** recommend testing a sample for fingerprint resistance and ease of cleaning. **polytec** does not guarantee exact colour matches across product ranges due to colour variation in each product group.

Visit www.polytec.com.au for specific care and cleaning information.
